Snowflake Sponsor Program

Sponsor a beautiful Snowflake to show your support of Interfaith Caring Ministries. Each snowflake will have the name of your choice attached to the bottom of the snowflake. These snowflakes will be hung from the ceiling of the Crystal Ballroom at South Shore Harbour Resort for the entire festival. All funds raised through the sale of these snowflakes will go into supporting the programs of Interfaith Caring Ministries. Interfaith Caring Ministries provides a wide array of services that address an immediate need including, but not limited to food, financial assistance with rent and/or utility bills, vouchers to the ICM resale shop, financial assistance with prescriptions, referrals for no cost/low cost doctors, a Senior Outreach Program, school supplies and Christmas gifts to children, and Childcare Assistance to single parents to assist them in continuing their education.

I would like to sponsor _____ snowflakes at $50.00 each

Print the names you wish to put on your snowflakes:

_____
